Adopting a highly practical approach, Remedies is designed to help trainee barristers to identify and choose appropriate remedial relief, and calculate damages where necessary. Offering full coverage of the general principles underpinning remedies in both contract and tort, the book also provides coverage of the specific remedies which are available in various areas of the law including judicial review, trusts, unlawful discrimination, and EC remedies ensuring that junior barristers are fully prepared for practice. Realistic problems and worked examples feature throughout, encouraging students to apply the relevant law and practise choosing the remedy which will best serve their client's objective.
