(A Suncoast Society series book.)

[Siren Sensations: Erotic Consensual BDSM Menage a Trois Romance, M/F/M, spanking, sex toys, HEA]

Chelbie Larson's turned on by intelligence, but the creative, snarky, feisty woman knows she's too much for any one guy to handle. The picky sapiosexual refuses to settle for less than what she wants, which is why she's still single. Her parents have a solid marriage, and she knows that's the quality of love she yearns for.

Enter Nick and Rich Hurst, fledgling kinkster twins. One is a computer expert, the other a talented musician. And they're no stranger to showing a woman a good time. Chelbie's not bashful about showing them what she wants. Just when Chelbie had given up on finding a guy, they show her maybe dreams can come true.

But when Chelbie's attacked out of the blue, the truth about the triad's relationship doesn't make her parents happy. Now she faces a difficult choice between appeasing her parents...or deciding to follow her heart. One thing's for sure - her life will never be the same.
