Babbie's THE PRACTICE OF SOCIAL RESEARCH, 14th Edition gives students the tools they need to apply research concepts practically, as both researchers and consumers. This "gold-standard" research methods book shows students how to design and construct projects, introduces the various observation modes in use today, and answers questions about research methods -- such as how to conduct online surveys and analyze data. This package includes the printed text as well as an access code that will provide your students with seamless digital access to their MindTap™ Sociology resources from within your campus Learning Management System. Students will be prompted to enter this access code the first time that they click on a link in your course that includes Cengage content.
