Stories in Rhyme Maureen Higson

Most people are familiar with that old English idiom:
'A picture paints a thousand words'

I would more than heartily venture to say,
in describing Maureen's poetical work that,
each one of her poems' paints a thousand pictures'!

A unique take on the world at large with customary
whimsical eye for comic detail, portrays the humorous
side of human nature in an amusing and sometimes
endearing way that, for me, certainly, captures a
quintessential raw essence in wonderful concoctions
of rhyming word descriptions.

All them of course producing her characteristic
twist-in-the-tale delicious irony that has become
a trademark that is so prevalent in all her poems.

Here's an opportunity for you to discover and savour
a real feast of fun.
