Julie Scardina, Jeff Flocken

Wildlife Heroes: 40 Leading Conservationists and the Animals They Are Committed to Saving Julie Scardina, Jeff Flocken

With one-third of known species being threatened with extinction, wildlife conservationists are some of the most important heroes on the planet, and *Wildlife Heroes* profiles the work of 40 of the leading conservationists and the animals and causes they are committed to saving, such as Belinda Low (zebras), Iain Douglas-Hamilton (elephants), Karen Eckert (sea turtles), S.T. Wong (sun bear), Steve Galster (wildlife trade), and Wangari Maathai (habitat loss). Since we all should have an interest in conservation, there is a chapter providing information on ways people can get involved and make a difference. Chapter introductions are by author Kuki Gallmann, actor Ted Danson, actress Stefanie Powers, Congressman Jay Inslee, and TV personality Jack Hanna.
