Critical Narrative Analysis in Psychology: A Guide to Practice

Peter Emerson, S. Frosh

Critical Narrative Analysis in Psychology: A Guide to Practice Peter Emerson, S. Frosh

This book presents an approach to narrative analysis from a critical social perspective. It describes the background to discursive and narrative approaches and then takes the reader through a variety of analysis at different 'levels'. These focus on narrative texts from a boy labelled as 'sexually abusive', analyzed sequentially from micro- to more global levels. Through this extended example, the book demonstrates the power of narrative analytic procedures and the different effects produced by different levels of analysis.
