Hearing and Aging

Ray H. Hull

Hearing and Aging Ray H. Hull

This is the first book written and published that is dedicated solely to hearing loss in older adulthood and, importantly, the processes involved in serving the special needs of older adults who are hearing impaired. It is a concise book, but provides important information for those entering many fields that have as their intent to serve older adults either as a supplement to other texts on communication disorders in aging, or as a concise primary text.
