Los Angeles' drugs are run by the undead. When heroin-addicted vampire and gang leader, RJ, reluctantly takes in a twelve-year-old prostitute called Bait, humanity is introduced to his otherwise lifeless existence. An unforgiving, vicious and realistic horror story, Knuckle Supper explores chemical dependency, inner-city brutality, religion, molestation, abortion and the very nature of evil itself. "Combining the slick Hollywood decadence of a Bret Easton Ellis novel and the drug-addled realism of Irvine Welsh's Trainspotting, author Drew Stepek gleefully takes the piss out of the staid troupes of the genre by injecting LA's seedy underbelly with heroin-addicted vampires." -RUE MORGUE MAGAZINE "Even though there are various types of exploitation involved in the lives/backgrounds of almost all the players in this blood fest, Stepek is masterful in enabling the reader to actually feel sorrow and empathy for a few of the characters (not only R.J. and Bait) and to see the human in the monsters and the monster in the humans." - FANGORIA "Drew Stepek's Knuckle Supper hits you like a sucker punch to the gut. It's smart and downright sick which makes it an utterly engrossing read. Leave it to Stepek to create the anti-Twilight." Mark A. Altman / Producer/Writer - Castle; The Unknowns; Elvis Van Helsing "Drew Stepek is a splatterpunk Mickey Spillane, doling out rough justice to the creeps you'd meet on Hollywood Boulevard, and taking back the night one star at a time. He learned to write like this at Larry Flynt's Film Threat, and it shows: If there's such a thing as geek vigilante porn, this is it. You wouldn't know it, but there are many of us who've come up the same path, and like Knuckle Supper's damaged avenger, we're out there watching you. Do better -- or else." Paul Cullum / L.A. Weekly; Film Threat; Arthur
