## **Sit & Solve® Pointer Crosswords (Sit & Solve® Series) Frank Longo**

What are pointer crosswords? They're puzzles where the clues are right in the grid—not alongside—and an arrow points to the spaces where solvers should write the answer. This popular style eliminates wasted time spent looking back and forth between the crossword and the clue list; everything's neatly in one place. Plus, the clues in pointers take up less space on the page, so there are more puzzles—60 in all.
