## **That Irishman: The Life and Times of John O'Connor Power** Jane Stanford

The story of John O'Connor Power is the story of Ireland's struggle for nationhood itself. Born into poverty in Ballinasloe in 1846, O'Connor Power spent much of his childhood in the workhouse. From here he rose rapidly through the ranks of the Fenian Movement to become a leading member of the Supreme Council of the Irish Republican Brotherhood. In 1874 he was elected Member for Mayo to the British House of Commons where he was widely acknowledged to be one of the outstanding orators of his day. His speeches, both in Parliament and to the U.S. House of Representatives, secured crucial concessions and support for the Irish cause. O'Connor Power campaigned tirelessly for the rights of tenant farmers, and pioneered the policy of obstructionism to this end. Following his address to a tenants' rights meeting in Mayo, a protest was launched which would quickly become the powerful political force that was the Land League. He was, in short, one of a distinguished company, that indomitable Irishry of Charles Stewart Parnell, Michael Davitt and Isaac Butt, who made the dream of an independent Ireland a reality.

#### **Kimberly Hogan:**

As a student exactly feel bored to reading. If their teacher expected them to go to the library or even make summary for some book, they are complained. Just tiny students that has reading's soul or real their passion. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that reading through is not important, boring in addition to can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this That Irishman: The Life and Times of John O'Connor Power can make you

truly feel more interested to read.
