Sit right back and hear a tale....of a lesbian domme and her submissive partner, a bisexual ex-Navy NCO who told without asking, a porn millionaire, a trauma-specialist therapist, a transboy genius, and Latino drag queen Margarita Rimsalt form an unlikely band of social justice warriors who rescue the next generation of LGBT teens from repressive and oppressive abusive religious homes. Code named after Gilligan's Island characters, they rescue each other and others to form a gay underground railroad while loving, laughing and drinking tiki cocktails--until they are faced with the hardest challenge they've met to date: bringing down a Jesus camp that has been kidnapping kids in the name of Christ. Join them in their quest to show that love can win. Love will win. #Love wins.
