Undaunted: A Memoir of Survival in Burma and the West Zoya Phan

Once a royal kingdom and then part of the British Empire, Burma long held sway in the Western imagination as a mythic place of great beauty. In recent times, Burma has been torn apart and isolated by one of the most brutal dictatorships in the world. Now, Zoya of the, a young member of the Karen tribe in Burma, bravely comes forward with her astonishingly vivid story of growing up in the idyllic green mansions of the jungle, and her violent displacement by the military junta that has controlled the country for almost a half century. This same cadre has also relentlessly hunted Zoya and her family across borders and continents. "Undaunted" tells of Zoya's riveting adventures, from her unusual childhood in a fascinating remote culture, to her years on the run, to her emergence as an activist icon.

Named for a courageous Russian freedom fighter of World War II, Zoya was fourteen when Burmese aircraft bombed her peaceful village, forcing her and her family to flee through the jungles to a refugee camp just over the border in Thailand. After being trapped in refugee camps for years in poverty and despair, her family scattered: as her father became more deeply involved in the struggle for freedom, Zoya and her sister left their mother in the camp to go to a college in Bangkok to which they had won scholarships. But even as she attended classes, Zoya, the girl from the jungle, had to dodge police and assume an urban disguise, as she was technically an illegal immigrant and subject to deportation. Although, following graduation, she obtained a comfortable job with a major communications company in Bangkok, Zoya felt called back to Burma to help her mother and her people, millions of whom still have to live on the run today in order to survive--in fact, more villages have been destroyed in eastern Burma than in Darfur, Sudan.

After a plot to kill her was uncovered, in 2004 Zoya escaped to the United Kingdom, where she began speaking at political conferences and demonstrations--a mission made all the more vital by her father's assassination in 2008 by agents of the Burmese regime. Like Ayaan Hirsi Ali, Zoya has become a powerful spokesperson against oppressors, undaunted by dangers posed to her life. Zoya's love of her people, their land, and their way of life fuels her determination to survive, and in "Undaunted" she hauntingly brings to life a lost culture and world, putting faces to the stories of the numberless innocent victims of Burma's military

From reader reviews:

Nancy Adams:

Reading a publication can be one of a lot of exercise that everyone in the world loves. Do you like reading book so. There are a lot of reasons why people enjoy it. First reading a book will give you a lot of new details. When you read a guide you will get new information simply because book is one of several ways to share the information or perhaps their idea. Second, studying a book will make an individual more imaginative. When you reading a book especially fiction book the author will bring someone to imagine the story how the character types do it anything. Third, you are able to share your knowledge to other individuals. When you read this Undaunted: A Memoir of Survival in Burma and the West, you are able to tells your family, friends along with soon about yours book. Your knowledge can inspire different ones, make them reading a publication.

Kay Young:

Is it you who having spare time in that case spend it whole day simply by watching television programs or just resting on the bed? Do you need something totally new? This Undaunted: A Memoir of Survival in Burma and the West can be the answer, oh how comes? The new book you know. You are and so out of date, spending your free time by reading in this brand-new era is common not a nerd activity. So what these guides have than the others?

Bella Singer:

Within this era which is the greater individual or who has ability to do something more are more special than other. Do you want to become one among it? It is just simple strategy to have that. What you are related is just spending your time not much but quite enough to have a look at some books. One of the books in the top record in your reading list is usually Undaunted: A Memoir of Survival in Burma and the West. This book and that is qualified as The Hungry Inclines can get you closer in growing to be precious person. By looking upward and review this book you can get many advantages.

Alice Ressler:

As a scholar exactly feel bored for you to reading. If their teacher asked them to go to the library or make summary for some book, they are complained. Just minor students that has reading's soul or real their passion. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading seriously. Any students feel that reading is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Undaunted: A Memoir of Survival in Burma and the West can make you feel more interested to read.
