Dating. For a word the Bible never uses, Christians have ridden it hard, and this generation happens upon it like mounting a worn-out race horse, unfit to run its course. Whether in books, seminars, sermons, or songs, the trappings and connotations of Christian dating are tired, empty, and ineffective. I know what you're probably thinking: Seriously, another dating book? What else is there to say? Maybe more than you think. Care to find out? Change the Conversation addresses weak points in the topic of Christian dating and how it can be changed for the better. A short, power-packed read, complete with verses, personal stories, and research, Change the Conversation will deepen your perspective on Christian dating and inspire you to pursue God's best in your relationships. While geared toward teens, Change the Conversation is also a great handbook for parents and student leaders looking for ways to hold meaningful conversations with the teens and students in their life about the pressures and expectations of dating, healthy definitions of purity, and a biblical vision for sex.
