**The official tie-in for the film *Diana*, starring Naomi Watts and Naveen Andrews, this updated edition brings the the story up-to-date following the inquests into the deaths of Diana Princess of Wales and Dodi Fayed, making it the most comprehensive and balanced overview of the final years of her life**

When Princess Diana flew to Pakistan in May 1997, she went to meet the family of Dr. Hasnat Khan, the man she wanted to marry. One of the most famous and beautiful women in the world, she hoped to persuade Dr. Khan's mother that she would make a suitable wife for her son. Had she succeeded, the events of that summer might have been very different. Using powerful testimony from some of Diana's closest friends as well as members of Dr. Khan's family who grew to know and love Diana, this book gives a unique insight into Diana's world and a thorough interpretation of events central to the last years of her life. It explains how Dr. Khan, a dedicated doctor and a very private man, found himself thrust into the spotlight, and how when he broke off their relationship, Diana sought every means at her disposal to win him back. Putting all the events of the final months of Diana's life into context, the author brings the story to a proper and full conclusion.
