Tantra: The Art of Mind-Blowing Sex Val Sampson

Whether you are in a relationship, whether you are single, gay or straight, or young or old, Tantra will bring a new dimension to your sex life and your relationships. From extending orgasms (or just having them in the first place), to healing sexual problems to developing a sense of spiritual connection, Tantra is for every 'body'. Tantra is not just about being sexy - it's about being alive to your senses. It is particularly appealing to women because it is they who take the lead. Tantra also gives women the opportunity to celebrate their femininity and men are encouraged to revere it. Many women are self-conscious about their bodies - Tantra will help you to be conscious of your body but in a positive and empowering way. And for men the pressure to perform is removed, replaced by reciprocation, connection and ultimate fulfilment (so no more grunting, turning over and falling asleep).
