**The Polish Orthodox Church in the Twentieth Century and Beyond: Prisoner of History** Edward D. Wynot Jr.

*The Polish Orthodox Church in the Twentieth Century and Beyond: Prisoner of History* shows the adaptability of an Orthodox community whose members are a religious and ethnic minority in a predominantly Roman Catholic country populated by ethnic Poles. It features a triangular relationship among the Orthodox and Catholic hierarchies and the secular state of Poland throughout the changes of government. A secondary interrelationship involves the tense relationship between ethnic Poles on one hand, and minority Ukrainians and Belarusians on the other. As a “prisoner” of its own history and strangers in its own land, the Polish Orthodox Church faces a constant struggle for survival.
