**Alphabet Soup: -26 Whimsical Tales of Travel & Trauma (Sleepless in Singapore) (Volume 1)** Peter Hepenstall

A collection of 26 Tales of sardonic humor and whimsical observation from an Asian based Singapore Writer who has quickly gathered an impressive, loyal and ever-growing following in his blog "Sleepless in Singapore". Some feedback from Readers:- "You made me laugh and then cry on the one page. Few people can do that. Who are you?" "It is always a pleasure, Peter, reading your stuff - it is as though I am along for the journey - with all that entails ..." "It has nothing to do with your story (which as ever was informative, entertaining and funny) but it perhaps reflects the knack that you have for writing pieces that are full of humanity and provoke the swapping of tales ... long may you continue to be an oddity lodestone" "Oh, Peter The Sardonic, you've done it again! Is it just me or are you the funniest bloke on the planet? I've recommended your blog as an antidote to phone bills, tax assessments and election campaigning. More please". "Another superb piece of writing ...you have something very special about your work" "Another well told comedic tale with your lovely wry twist". "OMG it's not often I laugh out loud consistently at blog post after blog post, but Pyotr... fair dinkum mate, yer killin' me. And you are wasting my time. I have work that needs to be done. You're a writer like me, so you know that wandering off and reading other people's hilarious words is like putting one's finger in a dyke and stopping the trickle of income. No income has trickled all morning and I need to get my finger out, but I can't. You should be more considerate and stop writing your blogs. What my money stops altogether, and I have to stop eating. It will be your fault" "LOVE this! You are a raging, sarcastic, witty comic genius..." "You are a peculiar individual, very funny and surprisingly clever at times"
