"This is a very inspiring story and will resonate with any medical students or physicians who have faltered along their career path. Dr Parameswaran reminds us that faith can be the driving force to career success."

- Steven L. Berk MD

Overcomer is the incredible story of constant failures and the never-ending uphill climb of a young woman's journey towards fulfilling her dreams. This is the story of the modern-day Gideon and of how, when God has laid out plans for someone, He will be the one to bring the victory no matter how impossible the situation may seem. From failing out of a world-renowned institution to matching into one of the most competitive specialties in the country, this story highlights one of the most important fundamental principles of the Bible: nothing is impossible with God.
