The authors of "Playful Learning" have done an excellent job in developing a book that appeals to parents & educators alike, providing a multi-purpose guide for adults who work with young children. With quotes from well-known child development experts--Dorothy Briggs, Jim Trelease, Louise Bates Ames, Burton White, & many others, as well as the parents whose children have participated in at-home preschools--the authors present creative ideas for fun & learning at home. But "Playful learning" offers more than learning activities. Throughout the book, the authors weave child development theory with practice so the reader is left with an interest in the development & potential of every child.
