In the last five years, Simon's Cat has become a global phenomenon. Star of thirty-nine films, which have been watched over 500 million times, and winner of a dozen major industry awards, Simon's Cat has captured the hearts of a worldwide audience. In this brand-new book we see Simon's Cat face any feline's most dreaded scenario--he's off to the vet. And he's not at all happy about it.

Sharing its theme with the first-ever full-color Simon's Cat feature animation, funded by a record-breaking Indiegogo campaign and due to be released alongside the new book, *Simon's Cat Off to the Vet...and Other Cat-astrophes* is packed with over 240 pages of hilarious new gags and adventures featuring our favorite furry friend and his companions--both old and new.

Says Tofield: "Taking my naughty cat to the vet is one of the most requested film ideas from our fans. It was

because of this that I started work on a new film and book based on the crazy situations that arise during these trips! A visit to the vet can be quite a stressful time in real life for both cats and their owners, however my goal is to bring out the comedy, and introduce a cast of extra characters for Simon's Cat to meet, as he gets his claws into his new surroundings!"
