"...So You Like to Color"TM Join the millions of “young at heart” adults who have rediscovered the childhood pastime of coloring. The joy of bringing a black and white picture to life has taken on an adult twist and reignited the passion of a child’s first artistic endeavor. The beauty of creating artwork is more than just that. It has been proven that coloring can be an alternative to meditation, allowing the artist to switch off the anxieties of everyday life and focus on the movement of the marker or pencil on paper. The benefits to coloring can change your outlook on life. And, you can have fun while doing it! So grab your colored pencils and get started. There are no boundaries for your personal expression—let it go where it takes you!
