This special book contains a collection of brilliantly formulated aphorisms by one of the enlightened masters of present times. These are words of exceptional clarity and universal validity which mirror the essence of Zensho's teachings. His aphorisms are jewels of wisdom which touch us at our deepest. In fresh, modern speech Zensho lays waste to old, worn-out ways of thinking and thus awakens us from the slumber of our habitudes. He shows us how we can achieve a higher all-embracing perspective and the profound peace of our original, true being. A book of great practical value and an inexhaustible source of inspiration for all spiritual seekers.
