I can't stop falling for my daredevil stepbrother. Lincoln "Based" Carter is an arrogant a**hole and the most famous extreme sports athlete in the world. His idea of fun involves jumping off of skyscrapers and parachuting between buildings. Until the day he crash lands through a car windshield and shatters both of his legs. When I come home from college that summer, I'm surprised by the grunts of my hot-as-hell stepbrother working up a sweat during Physical Therapy. All in front of the camera crew that's filming documentary about his recovery. **Part of me wants to run, but I can't stop staring at his tattoos and his ripped body.** We have a history, but we can't be together. We can't even be near each other without a camera around. And yet I spend all day fantasizing about his slightly damp white T-shirt clinging to his muscular frame. His constant cocky teasing is driving me crazy. **We may live the same house, but I'm afraid that if I let him get any closer then we'll both drop right over the edge.** *Based contains mature content (explicit sexual situations and mature language), and is recommended for audiences 18+.* Based is a **standalone, full-length novel. No cliffhanger.**
