Fairy Tails 2 - A Gallery Girls Collection Various

Tiny creatures who live in the deepest parts of the forest, their magic is not meant to be seen by the eyes of mere mortals, but fairies are a playful lot, and occasionally they let themselves be seen, wearing little more than gossamer wings and a winsome smile! In this second collection of nymphs and elvettes, we get more folklore fairies with artwork by Pelaez, Aldo Perez, Diego Florio, Brian LeBlanc, and many other myth merchants! Outstanding cover painting by Pelaez.
