## Jepp, Who Defied the Stars Katherine Marsh

Fate:

Is it written in the stars from the moment we are born?

Or is it a bendable thing that we can shape with our own hands?

Jepp of Astraveld needs to know.

He left his countryside home on the empty promise of a stranger, only to become a captive in a luxurious prison: Coudenberg Palace, the royal court of the Spanish Infanta. Nobody warned Jepp that as a court dwarf, daily injustices would become his seemingly unshakable fate. If the humiliations were his alone, perhaps he could endure them; but it breaks Jepp's heart to see his friend Lia suffer.

After Jepp and Lia attempt a daring escape from the palace, Jepp is imprisoned again, alone in a cage. Now, spirited across Europe in a kidnapper's carriage, Jepp fears where his unfortunate stars may lead him. But he can't even begin to imagine the brilliant and eccentric new master-a man devoted to uncovering the secrets of the stars-who awaits him. Or the girl who will help him mend his heart and unearth the long-buried secrets of his past.

Masterfully written, grippingly paced, and inspired by real historical characters, *Jepp, Who Defied the Stars* is the tale of an extraordinary hero and his inspiring quest to become the master of his own destiny.
