This reprinted manual gives you assembly illustrations down to the last nut, bolt and screw. It shows exploded views of all the parts that were put together on the final assembly line, includes part group numbers. Use this manual to disassemble or reassemble parts of your car, and help identify parts that may be missing or incorrect. Contains production and regular production option information. You get information on the base model to "fully loaded." You will find illustrations for body mounting, frame, front & rear suspension, brakes, fuel & exhaust, steering, wheels & tires, sheet metal, electrical, radiator, and much more. You'll see how the engine & transmission are mounted in the car. You will find a few body components such as body mounting, front fenders, bumpers, taillights, hood, chrome trim, grille, and headlights. You will also find accessories and options such as the radio & speakers, heater, a/c, and more. There are exploded views and illustrations on just about every page, with wiring diagrams, torque specifications

PLEASE READ ABOUT THE TEXT QUALITY BEFORE PURCHASE: The originals are similar to blueprints. Consequently, the quality of the originals is sometimes hard to read. The problem isn't with the reproduction, but with the original it's made from. The printers have chosen to leave all the pages in the book, even the ones that are difficult to read, so that restorers can have all the available information. Please understand that if you purchase this book, you will receive a manual with some pages that are speckled or obscured. This is the best quality print available, and the manual comes with a money-back guarantee for the price of the book.
