A Treatise on the Law of Liens, Common Law, Statutory, Equitable, and Maritime Leonard A. Jones

Two volumes. Originally published: Boston: Houghton, Mifflin and Company, 1894. Reprint of the revised and enlarged second edition. A lucid guide to a daunting area at a time when it was experiencing a rapid period of growth. Jones addresses liens created by recent statute and recent modifications to maritime liens and common-law liens on personal and real property. Noting that many new liens established by statute have never been asserted, and noting that court decisions depend on them, Jones states the relevant statute laws, often with fascinating commentary.
