An Ancient Strife (Caledonia Series, Book 2) Michael Phillips

Michael Phillips gives readers evocative descriptions of distant lands and distant times, a panorama of a world you can visit only through books.

AN ANCIENT STRIFE, the second book in the Scottish CALEDONIA series, brings all of these elements together with a contemporary political mystery that holds the future of a nation in its answer. At the heart of the book stands Andrew Trentham, a member of the British Parliament who continues his personal pilgrimage to discover his heritage in order to answer questions looming before him in the government.

Through stories read and told to him, he uncovers more about his own ancestors, more about the history of Scotland, and more about the spirit of a people long kept from experiencing the freedom they so desire. At the height of his search, Trentham comes across a feisty highland lass who throws unexpected complications into his personal life. Will she help or hinder his quest to find the answers he desperately needs? Will he gain the courage and vision necessary to learn from the example of the past and stand for what he truly believes?

From reader reviews:

Caroline Petrie:

Now a day those who Living in the era wherever everything reachable by connect to the internet and the resources included can be true or not require people to be aware of each information they get. How individuals to be smart in getting any information nowadays? Of course the answer then is reading a book. Examining a book can help individuals out of this uncertainty Information specially this An Ancient Strife (Caledonia Series, Book 2) book since this book offers you rich information and knowledge. Of course the information in this book hundred per-cent guarantees there is no doubt in it you probably know this.

Jesse Kennedy:

Exactly why? Because this An Ancient Strife (Caledonia Series, Book 2) is an unordinary book that the inside of the e-book waiting for you to snap that but latter it will jolt you with the secret that inside. Reading this book adjacent to it was fantastic author who also write the book in such remarkable way makes the content inside of easier to understand, entertaining way but still convey the meaning entirely. So , it is good for you because of not hesitating having this any more or you going to regret it. This excellent book will give you a lot of positive aspects than the other book have got such as help improving your skill and your critical thinking way. So , still want to hesitate having that book? If I have been you I will go to the book store hurriedly.

Brett Nash:

Can you one of the book lovers? If so, do you ever feeling doubt if you find yourself in the book store? Try to pick one book that you find out the inside because don't judge book by its cover may doesn't work here is difficult job because you are scared that the inside maybe not as fantastic as in the outside look likes. Maybe you answer is usually An Ancient Strife (Caledonia Series, Book 2) why because the great cover that make you consider about the content will not disappoint a person. The inside or content is fantastic as the outside or cover. Your reading 6th sense will directly make suggestions to pick up this book.

Timothy Quintero:

As a pupil exactly feel bored in order to reading. If their teacher requested them to go to the library or make summary for some publication, they are complained. Just little students that has reading's spirit or real their pastime. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that looking at is not important, boring and can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for you. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this An Ancient Strife (Caledonia Series, Book 2) can make you experience more interested to read.
