An Introduction To Greek

Henry Lamar Crosby, John Nevin Schaeffer

An Introduction To Greek Henry Lamar Crosby, John Nevin Schaeffer

This classic introduction gives the student an insight into the amazing achievements of ancient Greece and at the same time, in a logical, thorough and interesting manner, develops in that student the power to read Greek.

In an effort to stimulate and to help the student empathize, the authors bring the ancient Greeks alive by incorporating Greek mottoes at the head of each lesson to indicate the universality of Greek thought. They introduce many notable writers through translation passages, and by the inclusion of specially selected exercises on derivations and word formation that show how vital Greek is in our everyday language and lives.
