A body in the bayou. Alligator conservationist Coco LeBlanc knew real fear when she found a body in the clutches of her beloved beasts. Fear turned to horror when she saw that it was one of the Trahan clan--and he'd been shot in the back. Her ex-boyfriend, Luc Trahan, had dumped Coco two years ago when she refused to give up her family's centuries-old voodoo traditions, and he didn't know about her newfound faith. Now, as they and their families become prime suspects in the grisly crime, they'll have to work together to clear their names before the Cajun killer strikes again.
