## **Few Are Chosen, K'Barthan Series: Part 1** M. T. McGuire

The Pan of Hamgee isn't paranoid. There must be some people in K'Barth who aren't out to get him. Unfortunately, right now, he's not sure where they are.

His family are dead, his existence is treason and he does the only thing he can to survive -getaway driving. As if being on the run isn't bad enough, he finds a magic thimble. He decides to keep it, which can only mean trouble. Sure enough, it does. He unwittingly sets himself on a collision course with Lord Vernon, K'Barth's despot ruler.

The Pan is forced to make choices and stand up for his beliefs. It's a challenge, since previously he had no beliefs he was aware of. Faced with a stark moral dilemma, he realises his new found integrity may even stick ... if he can stop running.

Written in British English with some light swearing: Suggested cinema rating, PG: first book in a series of 4
