kismet (noun) ~ a power that is believed to control what happens in the future Brody Collier disappeared without saying goodbye. It was for the best—he was everything I was avoiding. The regimented Air Force lifestyle, the way his love made me weak, discarding me in the end . . . like my choices didn't matter. Emberlee Winchester appeared in my life, and I didn't have a chance. Her friends hate her. Her father disappoints her. Her fight is waning. It's the perfect time for me to win her over—or so I thought. Our struggles bring us together. Neither of us have a choice.
