"SEX. LOVE. VIRGINITY?

In the dating game, the V-word has become as strange and complicated as the L-word, with purity as outdated as pay phones. What is an ex-athiest, post-porn addict, unorthodox Christian girl to do these days? How can she create boundaries without scaring off every available guy? Is purity even possible without being puritanical? In this candid, humorous account of the true-life trials of Christian dating, the author shares the wisdom she's gleaned in her quest for love in a modern world. She guides with grace and honesty through the often hush-hush topics of sex, porn, shame, female competition, misconceptions about purity, and those dreaded "waiting till marriage" conversations.
