Anything can happen underground, and although our future is uncertain, there's one thing I know for sure... Emily is working her way under my skin... ...and I'm letting her. I sleep while chaos swirls around me, and all I can do is watch as anarchy brews. Recklessly, I seek comfort in a stranger, and somehow, I've let Emily thread our futures together. I should be thinking about saving my brother, but right now, she's at the forefront of my mind. I have to get her out of here. I have to keep her safe... At all costs.
