## **The Erotic Picture of Dorian Gray (VOLUME II) Anonymous**

Many think that our eternally youthful protagonist of classical literature only became debauched post-portrait when the consequences of lust and vice could no longer affect him. However, between these pages are recounted Mr Gray's adventures during his more formative years. From his first experiences with his family's governess to his many dalliances with the bright young lights of Paris and Berlin, eager nymphs who want nothing more than to succumb to Dorian's singular charms, boyish good looks, and outstanding vigour, our hero savours all that avant-garde and sexually liberal Europe has to offer. The Erotic Picture of Dorian Gray deliciously expands on the libidinous goings on only Oscar Wilde's original subtly alluded to. With scenes including grand group-menages, lesbian tribadism, mutual gamahuching a'la soixant-neuf, and all manner of lascivious deed and device in-between, this anonymously written classic of 1930's erotica leaves very little to the imagination. A must for any collector of the once-suppressed. **Volume I also available from Locus Elm Press**
