Dude to Dad: The First Nine Months contains absolutely no expert advice or medical guidance. You can read about mucus plugs and colostrum elsewhere. What you will find is a candid, quick and often irreverent roadmap for making the most of your own personal transition from Dude to Dad.

I had just landed in a rickety prop plane on a dirt runway on an island in the Arctic Ocean off the north slope of Alaska. I picked up the satellite phone to call my wife and let her know we had survived the most aggressive part of the trip. She told me that she thought she should take the test. Little did I know that the journey had just begun. . .
