Federal Trial Objections is designed to provide the trial attorney with a ready reference for raising objections at trial and for making responses to objections. It offers a quick take on the alternative objections to admissibility of evidence at trial and enables you to quickly consult relevant evidence rules, which are included as an appendix. Features include: An alphabetical arrangement of stated objections that makes it easy to find specific objections and responses; Case-oriented commentary that supports each of the objections; Pocket-sized for easy use in court.
