Pick up your Special Visitor's Pass and come along for a tour through some of America's most interesting factories in this series.

You'll get a behind-the-scenes look at how familiar items like crayons, sneakers, chocolate, and guitars are made. And you'll have a chance to see and understand the whole manufacturing process--from raw materials through finished product.

As you tour, you'll see how each company has solved special problems and challenges in putting its product together. You'll also appreciate what people can accomplish with good technology and some creative thinking!

By the time you're done, you'll really appreciate just how much work goes into making some of your favorite things! Each volume includes:

- Glossary
