Prince Lestat and the Realms of Atlantis: The Vampire Chronicles (Random House Large Print) Anne Rice

From Anne Rice, conjurer of the beloved best sellers *Interview with the Vampire* and *Prince Lestat*, an ambitious and exhilarating new novel of utopian vision and power

"In my dreams, I saw a city fall into the sea. I heard the cries of thousands. I saw flames that outshone the lamps of heaven. And all the world was shaken . . ." --Anne Rice, *Prince Lestat and the Realms of Atlantis*

At the novel's center: the vampire Lestat de Lioncourt, hero, leader, inspirer, irresistible force, irrepressible spirit, battling (and ultimately reconciling with) a strange otherworldly form that has somehow taken possession of Lestat's undead body and soul. This ancient and mysterious power and unearthly spirit of vampire lore has all the force, history, and insidious reach of the unknowable Universe.

It is through this spirit, previously considered benign for thousands of vampire years and throughout the Vampire Chronicles, that we come to be told the hypnotic tale of a great sea power of ancient times; a mysterious heaven on earth situated on a boundless continent--and of how and why, and in what manner and with what far-reaching purpose, this force came to build and rule the great legendary empire of centuries ago that thrived in the Atlantic Ocean.

And as we learn of the mighty, far-reaching powers and perfections of this lost kingdom of Atalantaya, the lost realms of Atlantis, we come to understand its secrets, and how and why the vampire Lestat, indeed all the vampires, must reckon so many millennia later with the terrifying force of this ageless, all-powerful Atalantaya spirit.

From the Hardcover edition.

From reader reviews:

Alan Coleman:

What do you about book? It is not important along? Or just adding material when you need something to explain what the one you have problem? How about your time? Or are you busy particular person? If you don't have spare time to accomplish others business, it is make you feel bored faster. And you have spare time? What did you do? All people has many questions above. They must answer that question because just their can do that. It said that about publication. Book is familiar in each person. Yes, it is appropriate. Because start from on jardín de infancia until university need this particular Prince Lestat and the Realms of Atlantis: The Vampire Chronicles (Random House Large Print) to read.

Scott Rochelle:

As people who live in the particular modest era should be change about what going on or information even knowledge to make these keep up with the era which is always change and move forward. Some of you maybe can update themselves by reading through books. It is a good choice in your case but the problems coming to a person is you don't know which you should start with. This Prince Lestat and the Realms of Atlantis: The Vampire Chronicles (Random House Large Print) is our recommendation so you keep up with the world. Why, because this book serves what you want and need in this era.

Kevin Pennell:

People live in this new time of lifestyle always try to and must have the extra time or they will get great deal of stress from both day to day life and work. So , if we ask do people have spare time, we will say absolutely without a doubt. People is human not only a robot. Then we question again, what kind of activity do you possess when the spare time coming to a person of course your answer will probably unlimited right. Then do you try this one, reading books. It can be your alternative within spending your spare time, the book you have read is usually Prince Lestat and the Realms of Atlantis: The Vampire Chronicles (Random House Large Print).

Nick Gulbranson:

As a student exactly feel bored in order to reading. If their teacher asked them to go to the library as well as to make summary for some e-book, they are complained. Just small students that has reading's heart or real their passion. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that examining is not important, boring along with can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this Prince Lestat and the Realms of Atlantis: The Vampire Chronicles (Random House Large Print) can make you really feel more interested to read.
