Song of Fire Joseph Bentz

Through the breaking ice, in a vortex of brilliant light, energy, and sound, Jeremy plunges into a dangerous and mysterious new world. It is a world where music is absolutely prohibited--on pain of death. And Jeremy breaks that law when he arrives in Persus Am in a swirling cloud of light and music. A stranger in a strange land, he does not know why he has been sent here. But it soon becomes clear that he must risk everything to help his new friends in this weary and war-torn world. Song of Fire is a powerful tale of the triumph of good over evil, and healing love in a fantastic world that feels as real as the one we live in.
