The Menu: Development, Strategy, and Application David Barrish

The Menu: Development, Strategy, and Application offers an indispensable business resource for creative culinarian and hospitality manager students transitioning into careers. This text bridges understanding and action by avoiding a prescriptive approach in favor of recommendations and examples of best practices that bolster the creative process. Contextual exercises throughout each chapter help today's student actively transform learning into relevant, career-based skill sets. Following a logical sequence, the text addresses American Culinary Federation competencies such as *Beverage Management*, *Business and Math Skills*, *Food Preparation*, *Nutrition*, *Purchasing and Receiving*, and *Sanitation*.
