Whispering Smith

Allen P. Bristow

Whispering Smith Allen P. Bristow

The fictional adventures of the heroic railroad detective called Whispering Smith have entertained readers, motion picture enthusiasts and television viewers for many years. The colorful name of this character had such appeal that it has been adopted by musical bands, apparel manufacturers and emblazoned on the nose of World War Two bombers. But was there a real Whispering Smith? Was he the heroic champion of justice on the western plains as depicted by Hollywood or was he instead a sinister and tragic recluse? Traces of his confrontations with western outlaws are found throughout Colorado, Nebraska, New Mexico, Utah and Wyoming. Yet in his search for justice did he become a centurion that confronted frontier lawlessness with a hangman's rope? Was the real Whispering Smith actually a cold-blooded killer, frustrated duelist, devious plotter and pugnacious braggart? These questions can best be answered by an examination of his life in this book.
