Dad Alone: How to Rebuild Your Life and Remain an Involved Father After Divorce Phil Clavel

Both the practical and emotional challenges that newly single fathers must face are discussed with candor in this guide to positively establishing a new family unit and rebuilding self-esteem. Ways in which fathers can create a new home, find strength in a support system, and maintain an active and enriching role in their children's lives are described, with attention to the unique challenges presented to fathers who may not live in the same household as their children. From arranging child support and child custody to establishing new romantic relationships and a blended family, personal, instructive advice offers divorced fathers a path of hope for a new beginning.
