Embryology & Development of Seed In Euphorbia milli.(E.splendens)BOJ. Lalchand Dalal

This work contains the detailed study of morphology, and embryology of plant Euphorbia splendens(L.) In which morphological characters were extensively studied. Extensive investigation of embryological aspect was also studied in detail. I hope this book will be the boon for those who may study this type of aspect and definitely helpful for their investigation for understanding the aspects of morphology and embryology.
