Equine Orthopaedics and Rheumatology: Self-Assessment Color Review (Veterinary Self-Assessment Color Review Series) Stephen May, C. Wayne McIlwraith

This book covers a wide range of orthopedic and rheumatological problems encountered in equine veterinary practice and is invaluable to professionals in practice as well as veterinary and equine students. The cases are arranged randomly, just as they would be in life, and the self-assessment format is used to enable the reader to examine each case as it is presented. A superb range of color illustrations and imaging techniques, including radiography, ultrasonography, nuclear scintigraphy and arthroscopy are used to present and thoroughly explain each case.
