**Love. Marriage. Babies.\***

**\*Not necessarily in that order.**

I got hit in the head with a baseball. A damn home run. I didn't even see it coming.

The next thing I know, I'm in the hospital with a headache but that's not all...

There's an idiot doctor standing in front of me telling me I'm pregnant.

Who's the father, you ask? *The damn baseball player that hit the ball.*

Hunter Novak. *Home Run Hunter* himself — but that's not the name he gave me when he took me home with him from that bar six weeks ago.

Call it coincidence. Call it fate.

I call it a pain in my ass.

For the first time in my life, I'm responsible for someone other than myself. This baby deserves to grow up with a real family. It can't get that from me and my one-night stand. Or can it?

I barely know Hunter. We skipped to the end before but now we have to start from the beginning.

How is that even possible now that a tiny heartbeat is involved?
