Mastering Criminal Law, Second Edition (Mastering Series) Ellen S. Podgor, Peter J. Henning, Neil P. Cohen

Mastering Criminal Law explores the basic principles useful in the study of criminal law, offering real world examples to understand these concepts. It provides a clear and concise consideration of the fundamental structure of a crime including statutory interpretation and sentencing. It has chapters on the typical crimes covered in most criminal law casebooks, namely, homicide, rape, assault and battery, and theft. Additionally, it covers accomplice liability, solicitation, attempt and conspiracy. It also covers defenses, including the right to present a defense. It distinguishes different approaches such as the Common Law and Model Penal Code and provides examples of different state statutes.
