## **Perfect Timing Vol 4 (Volume 4)** Kim Dare

Before He Cheats Rupert's society friends can call it an open relationship if they want. Leon still calls it cheating—and he's going to make sure it never happens again. Leon knows he and Rupert come from completely different worlds, but it never occurred to him that Rupert would consider their relationship to be open unless otherwise stated. He might not have the money, the experience or the social standing of Rupert's usual lovers, but Leon's still determined to fight for what he wants. And what he wants is to make sure he's exclusive with Rupert before his lover's "old friend" comes to visit next weekend. Can he convince a man like Rupert to give up everyone else in favour of one inexperienced graduate student? Can he convince Rupert to make a commitment to him before he cheats? Leon doesn't know—but he sure as hell is going to try! While Under the Influence Elijah is a natural follower, but he's never thought too much about the way he lets his cousin talk him into all kinds of crazy schemes. What he has thought about, a lot, is the fact that he's pretty sure he's not entirely straight. When a drunken game of truth and dare sees Elijah's cousin, Louisa, find out he might be gay, her influence leads him straight into his favourite sexual fantasy. Aaron has always believed that he's a much harder man to manipulate, but that doesn't mean he's never been hurt, or that past pain doesn't influence his actions in the present. Aaron might be dominant to the core, but that doesn't mean it's all easy for him. As meddling family members, former submissives and large amounts of alcohol all come to bear on them, Elijah and Aaron are about to find out just what sort of influence they are destined to have on each other.
