A man of means.... Troy Christian had more money than he knew what to do with in this lifetime and probably the next one. He could pay and get anything he wanted without breaking a sweat, but the one woman he desired from the moment he laid eyes on her. Just as he was about to make his move Headley Rose moved away taking his heart with her. Troy never thought he would see her again, but fate brought her back into his life ten long years later and this time Headley wasn't getting away. The chase was on. The woman he wanted.... Headley Rose left her thriving business in New York. She hurried back to Paris, Texas to take care of two things: her sick father and Troy Christian. She hadn't seen her teenage crush in years, but she wasn't about to let him steal her family's land from them. She would do everything she could to keep it out of his hands even if it meant doing something she hated seeing Troy face to face.
