The Underachieving Gifted Child: Recognizing, Understanding, and Reversing Underachievement Del Siegle Ph.D.

Why are some gifted children willing to tackle new challenges whereas others seem insecure or uninterested? Why do some gifted students achieve while others become caught in a cycle of underachievement? Are there strategies teachers and parents can implement that promote an achievement-oriented attitude? *The Underachieving Gifted Child: Recognizing, Understanding, and Reversing Underachievement* answers these important questions. Although there are many factors that contribute to achievement, achievement-oriented students exhibit four key traits: they believe that they have the skills to perform well, they expect that they can succeed, they believe what they are doing is meaningful, and they set realistic expectations and implement strategies to successfully complete their goals. This book offers specific strategies to help increase student achievement by improving students attitudes in these four important areas.

The Enjoyable option here cannot be questionable, such as treasuring beautiful island. Techniques you still want to miss the idea? Find this book in addition to read it from currently!

Susan Ross:

As a student exactly feel bored to reading. If their teacher questioned them to go to the library in order to make summary for some publication, they are complained. Just minor students that has reading's internal or real their hobby. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading really. Any students feel that studying is not important, boring in addition to can't see

colorful photos on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this The Underachieving Gifted Child: Recognizing, Understanding, and Reversing Underachievement can make you really feel more interested to read.
